

• Promoting African centred approaches to developing people and communities

Tel: 0181 333 0082

African Centred Study Group

The first monthly GRIOT AFRICAN CENTRED STUDY GROUP will discuss basic questions around:

- ~What is African centred thinking or working?
- ~What do African centred perspectives have to contribute to learning, developing and organising for Black people?

Errol Carbon [Asaru] will be the facilitator who will be exploring themes covering the key questions that we need to be asking for African-centred development and working with us to identify the fundamental answers we need to act on.

Lively, interesting debate expected!!! People of African and Caribbean descent especially welcome

7 - 9, Tuesday 21st September,

[Free dinner between 6.15 - 6.45]

Griot,
West Greenwich House, 141 Greenwich High Rd, Greenwich, SE10.

Please register for dinner with Petan at Griot on 0181 333 0082

Workshop is free.

Please call Griot if you would like to facilitate future workshops or have ideas for themes or have any comments that could help to develop the study group. Griot welcomes all comments and ideas.
